

How do you say **THANK YOU?**

BEVERLY HILLS POLICE OFFICERS BENEVOLENT FUND

Can you imagine going to work and wondering if you'll survive the day to see your family that night? Most people can't. But, in Law Enforcement, this is a fact of life.

2020 has been a year full of challenges and our Beverly Hills Police have been there for us all. Due to the COVID-19 pandemic, the state of California has issued guidelines which unfortunately, will prevent the Beverly Hills Police Officers Benevolent Fund from holding the annual Black & White Gala in October. Our Police Officers will truly miss seeing their wonderful supporters in person this year. However, the need remains essential to support our First Responders. Funds raised support the BHPOBF Scholarship Fund and Medical Trust Fund.

Beverly Hills is known worldwide as one of the safest communities in which to live and work. Police Officers are an integral part of our community, proudly protecting Beverly Hills 24 hours a day, 7 days a week. Last year, the BHPD received 38,160 calls for service and answered with the incredible response time of 2.4 minutes. Our Police Officers are dedicated professionals who serve the residents and businesses of the City of Beverly Hills with courage and honor.

During these unprecedented times, please show your support for the Beverly Hills Police by donating generously.

Your support is more important than ever.
